

Student Intake Survey: Logic Pro Production

Part 1: The Basics

1. Name: _____
2. Primary Instrument (if any): _____
3. Preferred Music Genres and/or artists: (e.g., Lo-fi, Cinematic, Indie-Rock, Neo-Soul, etc.) _____
4. What is your #1 goal for this 8-week course? (e.g., "I want to finish one song," "I want to understand how to mix," "I want to score a short film.")

Part 2: The Tech Check

Please confirm you have the following ready for the first class:

- Mac Laptop (or Mac Mini, iMac, Mac Studio at home)
- Logic Pro installed (Version 10.7+)
- Headphones (Wired preferred)
- At least 40GB of free hard drive space and 8-16GB RAM
- I have a Windows computer and will use a different software program (DAW)

Part 3: Experience Level

On a scale of 1–5 (1 = "What is a DAW/MIDI?" and 5 = "I have released music on Spotify"), how would you rate your experience with:

Skill Area	1	2	3	4	5
Logic Pro / GarageBand Navigation	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
General Music Theory and/or Songwriting	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Audio Recording (Mics/Interfaces)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
